**Section 6: Details of research vessel(s) (if any)**

Vessel registered in the Maldives

Foreign vessel

Name of vessel			Country of registration		
Registration number		Length		Breadth	
If foreign vessel,	Date of Entry			Date of Exit	

**Section 7: Equipment/Instruments that would be used for field work**

(Example: tagging equipment, tags, drills, corers, nets, sampling gear etc. Please indicate the make and capabilities of the equipment)

**Section 8: Details of samples to be taken for analysis**

Species (scientific name/common name)	Number/amount/size of samples
1.	
2.	
3.	
4.	
5.	
6.	
7.	
8.	
9.	
10.	

Do you intend to export any of these samples for further analysis?

Yes

No

**Section 9: Research impacts**

Provide an account of any environmental or social impacts that may arise from the activities proposed in this research. Also, outline any measures that will be taken to mitigate or minimize these impacts.

**Section 10: Local participation/contributions**

Please give details of the nature and the extent of any local participation in the research.
